

# NovaLux Strategies LLC

**Illuminate the path.  
Execute with confidence.**

## Our Services

- **Instructor-Led Training & Facilitation:** Instructor-led courses for acquisition professionals and program teams—interactive, practical, and tailored to your agency or company environment.
- **Contract Administration Services:** End-to-end acquisition support from pre-award planning through closeout—documented, compliant, and built for defensible decisions.
- **Capture & Business Development:** Small business capture planning, win themes, compliance matrices, and proposal readiness support to compete confidently and deliver successfully.

## Why Choose Us

- Operator + Instructor Hybrid
- Defensibility-First Execution
- End-to-End Perspective
- Tailored Solutions

## About Us

NovaLux Strategies LLC is a consulting and training firm focused on strengthening acquisition performance through clear instruction, disciplined execution, and defensible documentation. We support mission-driven government and commercial clients with training, acquisition support, and capture strategy that improves outcomes from award through closeout.
